booked the flight for rosie

I understand; i will get done first thing tomorrow and provide the details to you but I provided the approximate time of delivery tomorrow so you can adjust to that ok

Today 10:35 AM

Hi, I just got the shipping information. To be honest I m unaware of any business that asks for payments via zelle. If you can find another form of shipping that would be great. If not please give a full refund as this makes me very uncomfortable.

Hi S [redacted] not Understandx

Im with my grand daughter for her last chemo thp preparation. Whats wrong i already registered the baby for delivery

She should be on her way already

Please let me know

Will get back to you shortly
