All Pets getting shipped to family homes during this period are required to be insured by the owners as part of the new FDA Covid-19 strict regulations. So you are required to pay a refundable insurance fee of \$762 to have Pet insured. The insurance fee shall be fully refunded upon delivery of the Pet to the owner as registered ([REDACTED] which your drivers licence will be required to identify yourself as OWNER OF PET(08165583945). This refundable Insurance cannot be waived as your Pet cannot be shipped unless insured hence you are required to make the insurance fee available as soon as possible; (Within 20 minutes to not miss the available flight to your location today).

Soon as you have the transfer made(As early as possible), kindly Email us with a proof of transfer so we forward it to the team in-charge to immediately process the fees and have your Pet, insured and boarded for flight/delivery. We'll have the Refundable Insurance papers E-mailed to you once all is done,
