Scam for a purchase online from ATV.COM website with a wire transfer to a fake company. My son and I have been looking for a Polaris RZR recreational vehicle and I found the best deal I've seen so far from all searches. I knew it was too good to be true! But because the product was being classified at a very low price. 2016 Polaris RZR XP 4 1000 Turbo EPS listed for the amount of \$5,800.00. I sent a message to the owner requesting more information trying to verify if indeed there was no mistake on pricing listed on the classified page of ATV.COM classified page. "Mr Robert Drayton" sent a reply stating that in fact that was the correct price \$5,800.00 plus shipping costs and "Mr Robert Drayton" asked for my zip code to find out shipping cost, I replied 85303 and he mentioned that the final cost including shipping costs was going to be \$6,200.00 he would pay some additional costs if any were to be added since the RZR was located in Olympia, WA 98501....it runs like brand new with no issues...I'm the original owner...you will receive along with all the papers, documents and manuals...the price is \$6200 shipping included to your address..in case you are interested please let me know so I can explain to you how we can complete a safe transaction for both of us....Thank you... The seller " Mr Robert Drayton" He mentioned that the selling process was supposed to be through a third party Escrow company to assure that no frauds and the RZR will be delivered by Escrow company and they (Escrow) would hold the money for ( 7 day inspection period).I replied to the Seller that I thought the purchase was done through a dealership since the ATV.COM page was an online dealership but I also noticed that Private parties were offering to

sell their recreational vehicles. I said I'm interested on 07/10/2020 12:42pm..within 15 minutes of replying "Mr Robert Drayton" sent me an email with the detailed list of how the process was going to be with the third party Escrow as shipping company...there was a link to the company name to register and login to start the transaction process [www.EscrowAutoServices.com](http://www.EscrowAutoServices.com). 07/10/2020 at 12:53 PM. I click on the link and started registration to the Escrow Auto Services I was sent to a personal control panel -third party Agency page to start a transaction it required to enter a VIN# so emailed "Mr Robert Drayton" to ask for the VIN # Mr Robert Drayton didn't replied back. Instead I received an email from the [escrowautoservices.com](http://escrowautoservices.com) with an email header: a new secure online transaction is awaiting for you on [www.escrowautoservices.com](http://www.escrowautoservices.com), to accept a transaction that Mr Robert Drayton had already started as the Seller on Monday 07/13/2020 at 3:13pm on the detailed email it contained Product information (2016 Polaris RZR XP 4 1000 Turbo EPS), Seller's email (Robert Drayton), and Buyer's email (my email). Inspection period detailed information and price \$6200 Payable deadline to 48 hours for this transaction to be valid transaction #54678114 (reference).....Listed information:2016 Polaris RZR XP 4 1000 Turbo EPS Orange...Best Practices for ATV.COM Classifieds Sellers. W HIGHLY recommend that you use [EscrowAutoServices.com](http://EscrowAutoServices.com) our preferred provider for secured payments. [EscrowAutoServices.com](http://EscrowAutoServices.com) reduces the risk of fraud by acting as a trusted third-party that collects, holds and only disperses funds when bot Buyers and Sellers are satisfied. [EscrowAutoServices.com](http://EscrowAutoServices.com) is a government licensed and regulated insured and bonded online escrow company compliant with Escrow Law..sincerely, ATV.COM Support. I contacted the ATV.COM owner Mr Lucas Cooney on Wednesday July 15, 2020 at 12:57pm.

As of 3:17pm Arizona time on Wednesday 07/15/2020 the 2016 Polaris RZR XP 4 1000 Turbo EPS was removed from the ATV.COM classified featured listings page.The ATV.COM web site page was updated removing all information related to this recreational vehicle asset.
