VIP PET RE LOCATORS TRANSPORTATION SERVICES Pet Cargo Ltd IN ASSOCIATION WITH U SHIP, EMS, UPS, DHL, AND FEDEX.

Dear Client,

Accept greetings once more from the entire staff of VIP PET RE LOCATORS TRANSPORTATION SERVICES responsible for the transportation and home delivery of your French bulldog puppy. We equally need to inform you that the last check-ups were conducted here in our branch office and it has come to our notice that due to the weather forecast It will be unsafe for the puppy or other livestock to be traveling without being put in an **AIR PRESSURE AND TEMPERATURE REGULATORY ELECTRONIC CRATE.**

Under the jurisdictions and regulations of the U.S airlines penal code 67/23/2001 it is stated that no pet especially a puppy younger than the age of 18 weeks be transported to a different state without being put in this special crate for safety purpose making this a mandatory situation. You are now simply benefiting from the agency's relationship with the thermal electronic crate store so you can obtain this crate without any predicament. All our clients will either rent a crate which will be returned to the pet carrier agents at the time of delivery of their puppy or buy a crate for their puppy

You have two options to choose from either to rent or to buy one. When the option of RENTING the AIR PRESSURE AND TEMPERATURE REGULATORY ELECTRONIC CRATE is chosen, you are expected to proceed with a deposit of a 100% refundable fee of **\$865.00** Once this transaction is done and confirmed you will be issued a receipt which will be presented to the pet carrier agents so you can be eligible for the restitution of your deposit at the time of the delivery. This deposit is to ensure the crate is given back to the company in the state in which it was brought to you at the time of delivery.

If the option of BUYING the AIR PRESSURE AND TEMPERATURE REGULATORY ELECTRONIC CRATE is chosen instead of paying \$1650, there is a discount on the price of this crate bringing it to an eye-catching price of **\$1000**. This crate will prevent the puppy against the harsh flight weather and will keep him safe and regulate its temperature and pressure as he flies your location.

In addition, this crate also provides sleeping, eating and Pooping space for the puppy . So you will have to make the deposit of **\$865** which will be 100% refundable if you will be renting one or \$1000 to purchase one now so we can immediately get the crate.

Do get back to us via email or a phone call on the number below for clarification and on how to make the deposit/payment.
