Our living environment has been seriously affected. In order for everyone to enjoy better benefits, we decided to sell 500 units at an ultra-low price limit

- Simple Interface
- Fits All Bikes
- Anti-Theft Mount
- Touch Gestures
- Long Battery Life

FEATURES AT A GLANCE

- NAVIGATION**: Gets you safely to destination using minimalistic turn signals.
- ALARM**: Protects your bike against theft with a 110 dB alarm.
- FITNESS**: Tracks and displays your performance metrics while you ride.
- LIGHT**: See and be seen with an all new 250 lumen front light.
- ASSISTANT**: Connects you to loved ones, the weather, your smart home and road hazards.

Designed by cyclists, for cyclists; SmartHalo 2 is the all-in-one connected device that breathes life into your bike. It helps you discover new routes with clear navigation signals. It protects your bike with an ear-piercing anti-theft alarm. It lights your way with a completely redesigned, all-powerful front light. It tracks and displays your cycling metrics without having to push a single button, syncing with the fitness apps you already use.

Combining the Circle's Simplicity to the Pixel's Versatility

- Light Halo**: Bright circular lights that provide you just the info you need.
- PeekDisplay™**: An extra layer of information to assist you while you ride.
- Touch Surface**: Swipe through your ride metrics and tap to trigger features.

Wrap the two sides of the hand in the middle separately to maintain a ce
