Charlie is a fiercely loyal, loving pet and will attach himself to every one of his family members. He loves to play, He doesn't need hourly attention. If he is in the mood to play, he will find someone and bring a toy to that person. Charlie also plays well by himself, and he is a good companion for single people.

All our puppies are re-homed for PET PURPOSES ONLY. So as long as you can make us understand that you will share the love in your homes with these PUPPYs, we will consider placing one or more of our puppies to your home.
