19/08/2020 18:17 - Paulo Osório: Hi there. I can see now the 1278 USD invested

19/08/2020 18:18 - EliteCrypto Support: Ok Good

19/08/2020 18:18 - EliteCrypto Support: Stella Marris is one of my big time investor.

19/08/2020 18:19 - EliteCrypto Support: She referred you from LinkedIn?

19/08/2020 18:19 - Paulo Osório: Yes, she is nice lady. Met her at LinkedIn

19/08/2020 18:19 - Paulo Osório: Yep

19/08/2020 18:19 - EliteCrypto Support: Ok good

19/08/2020 18:20 - EliteCrypto Support: You must make huge profits with us Paulo. 👍

19/08/2020 18:21 - Paulo Osório: Let me understand something. After 4 days, the amount invested + profit goes back to my account balance?

19/08/2020 18:21 - EliteCrypto Support: Yes it goes to your account balance

19/08/2020 18:21 - EliteCrypto Support: Then you invest more

19/08/2020 18:22 - Paulo Osório: So, if I want to reinvest, I have to do it explicitly, right?

19/08/2020 18:23 - EliteCrypto Support: Yes

19/08/2020 18:23 - EliteCrypto Support: You still have more bitcoins right?

19/08/2020 18:24 - Paulo Osório: I see

19/08/2020 18:24 - Paulo Osório: Yes

19/08/2020 18:24 - EliteCrypto Support: How much more?

19/08/2020 18:25 - Paulo Osório: That's a secret 🤐

19/08/2020 18:25 - EliteCrypto Support: Ok right

19/08/2020 18:25 - Paulo Osório: Let's see how it goes

19/08/2020 18:25 - EliteCrypto Support: Ok

19/08/2020 18:27 - EliteCrypto Support: You have to reach the minimum withdrawal before you can withdraw that means....daily continuous investment sir.

19/08/2020 18:27 - Paulo Osório: You make profit by investing in minning clusters, right?

19/08/2020 18:28 - EliteCrypto Support: In the mining machine which generates profits.

19/08/2020 18:29 - EliteCrypto Support: Am sure this your first investment is enough to earn you profits.

19/08/2020 18:29 - Paulo Osório: ok good. what's your name?

19/08/2020 18:30 - EliteCrypto Support: I'm Mr.George

19/08/2020 18:31 - Paulo Osório: Ok Mr George, nice talking to you. Let's talk again soon

19/08/2020 18:31 - EliteCrypto Support: ok Paulo

19/08/2020 18:45 - EliteCrypto Support: So by tomorrow you are adding to your investment right?

19/08/2020 18:51 - EliteCrypto Support: Are you there?

19/08/2020 18:56 - Paulo Osório: Mr George, i will add to my investment when I see fit. Thanks for your support

19/08/2020 18:56 - EliteCrypto Support: Ok Paulo

19/08/2020 18:56 - EliteCrypto Support: Take Care

19/08/2020 18:56 - Paulo Osório: You too

19/08/2020 18:57 - EliteCrypto Support: 👍

19/08/2020 19:11 - EliteCrypto Support: The mining machine is faster tonight, am sure your profits will get in by tomorrow. 😊👏

20/08/2020 03:25 - EliteCrypto Support: Your profits are growing

20/08/2020 05:47 - EliteCrypto Support: Check your account

20/08/2020 06:33 - EliteCrypto Support: Have you checked?

20/08/2020 06:34 - Paulo Osório: Good morning. Yes I did. I am curious. Dont you ever sleep?

20/08/2020 06:35 - EliteCrypto Support: Hahaha

20/08/2020 06:35 - EliteCrypto Support: I do sleep

20/08/2020 06:35 - EliteCrypto Support: But your time and mine are not same

20/08/2020 06:36 - EliteCrypto Support: Besides I devote 100% of my time to make sure my investors are given the best Guidance.

20/08/2020 06:36 - EliteCrypto Support: I think the mining machine dropped a profit for you just now....check

20/08/2020 06:37 - Paulo Osório: Hum hum, great

20/08/2020 06:37 - EliteCrypto Support: 🙌🙌😊

20/08/2020 06:38 - EliteCrypto Support: The mining machine is very fast nowadays try investing another and see how you make more profits.

20/08/2020 06:42 - Paulo Osório: Mr George, I am sorry, but lets clarify things. I will invest more when I feel confident about this investment and will not happen after 1 day. It will happen after I can collect the earnings. For now, it is just numbers in a website

20/08/2020 06:43 - EliteCrypto Support: I understand Paulo, but you need to reach the minimum withdrawal before you can withdraw your profits.

20/08/2020 06:43 - EliteCrypto Support: That's how it's been done.

20/08/2020 06:43 - Paulo Osório: Which is?

20/08/2020 06:44 - EliteCrypto Support: 20,000

20/08/2020 06:44 - EliteCrypto Support: Then when it reaches 20,000USD you are free to withdraw any amount of your choice or withdraw all if you wish to do so

20/08/2020 06:45 - Paulo Osório: Ok, i have time then

20/08/2020 06:45 - EliteCrypto Support: I don't understand

20/08/2020 06:51 - EliteCrypto Support: That you need to keep investing till it reaches 20,000USD

20/08/2020 06:51 - EliteCrypto Support: As simple as that

20/08/2020 06:52 - EliteCrypto Support: Maybe investment for just 5days will make you earn more than 20,000USD.

20/08/2020 10:35 - EliteCrypto Support: Hello

20/08/2020 10:36 - Paulo Osório: Yes

20/08/2020 10:37 - EliteCrypto Support: The profits for the 1270USD you invested are already in your account.

20/08/2020 10:37 - EliteCrypto Support: And complete

20/08/2020 10:37 - Paulo Osório: I saw that already, thanks

20/08/2020 10:38 - EliteCrypto Support: You are welcome Paulo

20/08/2020 10:38 - EliteCrypto Support: So you are going to add money through the coin payment today right?

20/08/2020 10:38 - EliteCrypto Support: So your profits would be boosting

20/08/2020 10:41 - Paulo Osório: My friend, why such a insistence on my neck to invest more? I told you, i will invest when i feel like it. This is really sound bothering and suspicion

20/08/2020 10:42 - EliteCrypto Support: No that's not it Paulo.....

As we work here we urge all investors to be active because so many investors we have here are active and willing to withdraw their funds on time.

20/08/2020 10:43 - EliteCrypto Support: But if you are not ready to be doing like them you are free anyways your choice

20/08/2020 10:43 - EliteCrypto Support: 👍

20/08/2020 10:46 - Paulo Osório: Thanks. Please dont waste your time and mine pushing me to invest more. I wont do it under pressure. You might focus your effort on the other investor. If I need any further help or advise, i will ask, for sure.

20/08/2020 10:59 - EliteCrypto Support: Okay

20/08/2020 10:59 - EliteCrypto Support: Understood👍

21/08/2020 08:55 - Paulo Osório: Hey, what happened to last night earnings? The machine wasn't working last night? ...

21/08/2020 08:56 - EliteCrypto Support: The machine generates profits of what you invested and nothing more

21/08/2020 08:58 - Paulo Osório: If is that so, why then is the difference to invest for 1, 2, 3 or 4 days???

21/08/2020 09:02 - EliteCrypto Support: You invested 1270USD

21/08/2020 09:02 - EliteCrypto Support: And how much do you have on your balance?

21/08/2020 09:03 - EliteCrypto Support: If the machine isn't fast it will deliver your profits in 3 days time

21/08/2020 09:03 - EliteCrypto Support: But as at that night it was working fast and everything went smoothly and your profits was delivered on time.

21/08/2020 09:05 - Paulo Osório: I see. It is the 1st time i am doing this, so getting the grasp of it. Let's see how it goes in 4 days time

21/08/2020 09:06 - EliteCrypto Support: Ok...

21/08/2020 09:06 - EliteCrypto Support: But don't expect any more profits from the mining machine via your previous investment, they've been delivered already ok?

21/08/2020 09:08 - Paulo Osório: If 4 days of so, the investment returns to my account balance right?

21/08/2020 09:09 - EliteCrypto Support: That's for your next investment

21/08/2020 09:12 - Paulo Osório: In the web site there are options to invest for 1, 2. 3 and 4 days. If you choose 4 days, for example, the balance on your account that you decide to invest goes into status of investment and remains there for 4 days, after when it goes back to the account balance. Am i missing something here?

21/08/2020 09:13 - EliteCrypto Support: Lol....yes you are

21/08/2020 09:14 - EliteCrypto Support: Those profits generated can't be reinvested

21/08/2020 09:16 - Paulo Osório: After the investment period what goes back to the account balance?

21/08/2020 09:17 - EliteCrypto Support: Your profits generated by the mining machine

21/08/2020 09:18 - Paulo Osório: Ok

21/08/2020 09:19 - EliteCrypto Support: Thanks

21/08/2020 09:19 - Paulo Osório: U 2

21/08/2020 09:19 - EliteCrypto Support: 👍

22/08/2020 15:15 - EliteCrypto Support: Hello

How are you doing today?

22/08/2020 15:20 - Paulo Osório: Hi. Fine thanks, and you?

22/08/2020 15:25 - EliteCrypto Support: I'm good thanks

22/08/2020 15:26 - EliteCrypto Support: Do you need our support on any issue concerning your investment process?

22/08/2020 15:33 - Paulo Osório: Actually i am reading the email you just send. It is funny because any of this is included in the RULES link of Elite website. It is very unusual to forbid people to reinvest the returns of a previous investment. Actually, any investment institution tends to encourage that

22/08/2020 15:33 - Paulo Osório: I meant is not included in the Rules link

22/08/2020 15:34 - EliteCrypto Support: You can ask Ms Stella Marris

22/08/2020 15:34 - EliteCrypto Support: That's how we operate here

22/08/2020 15:34 - EliteCrypto Support: And she's been paid.

22/08/2020 15:34 - EliteCrypto Support: You are only to do that when you reach 20,000USD

22/08/2020 15:35 - Paulo Osório: Nevertheless none of this is told on your RULES in the website. You told me that AFTER i invested

22/08/2020 15:36 - EliteCrypto Support: It's our fault for not adding that but please adhere to the rules so you must get paid please

22/08/2020 15:36 - EliteCrypto Support: And if you try reinvesting you might loose all

22/08/2020 15:36 - EliteCrypto Support: Let's be guided

22/08/2020 15:42 - Paulo Osório: You know what I will not reinvest or invest anything else at all. I want to withdraw my money because this is a scam. Do really thing i will add USD 20000 to this suspicion scheme? Moreover, if you forbid me to withdraw my money I will go to every social media to put that in the open including the FBI

22/08/2020 15:44 - EliteCrypto Support: No not that

22/08/2020 15:44 - EliteCrypto Support: Stop jumping into conclusions

22/08/2020 15:44 - Paulo Osório: Stella Marris is a fake profile at linkedin. Could be very well be you

22/08/2020 15:44 - EliteCrypto Support: You need just 6000USD to get 20,000

22/08/2020 15:45 - EliteCrypto Support: So simple

22/08/2020 15:48 - Paulo Osório: I am not jumping to conclusions. I am linking the dots based on what you are telling me which does not make any sense, other than encourage idiots to put more and more money until the point the loose it all. A Ponzi Scheme

22/08/2020 15:48 - EliteCrypto Support: 👍👍👍

22/08/2020 15:49 - EliteCrypto Support: I didn't say you should add 20,000

22/08/2020 15:49 - EliteCrypto Support: 6k USD gives you a profit of 20k all together

22/08/2020 15:49 - EliteCrypto Support: Chamada de voz perdida

22/08/2020 15:54 - Paulo Osório: I am not adding anything AT ALL. Neither 20K nor 6K. Again, I expect to withdraw my money after the time of the investment (4 days since last thursday), otherwise I make sure this scheme will be known everywhere I can. You guys may even face criminal charges under the federal law of US

22/08/2020 16:04 - EliteCrypto Support: I give you my terms and conditions if you can't keep to it 🤖

22/08/2020 16:13 - Paulo Osório: It is in your very site for anyone to read

22/08/2020 16:13 - EliteCrypto Support: Bear with us please

22/08/2020 16:17 - Paulo Osório: I told what I have to tell. I invested, now i want to collect what i invested once the many is back to my account after the investment period and be free to do so like any other investment enterprise

22/08/2020 16:38 - EliteCrypto Support: Pay your withdrawal fee then

22/08/2020 16:40 - Paulo Osório: What fee?

22/08/2020 17:05 - Paulo Osório: You cancel my account

22/08/2020 17:06 - EliteCrypto Support: No

I think it's because you reinvested your profits.

22/08/2020 17:06 - EliteCrypto Support: Create another one now

22/08/2020 17:06 - EliteCrypto Support: I'll see what I can do

22/08/2020 17:07 - EliteCrypto Support: Your withdrawal fee

22/08/2020 17:07 - Paulo Osório: You are not support? You are able to unlock the account

22/08/2020 17:08 - EliteCrypto Support: I said create another now....your funds were sent back to the mining machine....I'll forward it back to your new account

22/08/2020 17:08 - EliteCrypto Support: And mind you

Do not reinvest your profits again please

22/08/2020 17:10 - Paulo Osório: Done. psarmento

22/08/2020 17:11 - EliteCrypto Support: Ok

22/08/2020 17:11 - Paulo Osório: As far as my laat statement I had 1850 account balance and 3700 earned total

22/08/2020 17:12 - EliteCrypto Support: Ok

22/08/2020 17:14 - Paulo Osório: So, how much ia this withdraw fee?

22/08/2020 17:14 - EliteCrypto Support: 500

22/08/2020 17:14 - EliteCrypto Support: And the mining fee all together

22/08/2020 17:19 - Paulo Osório: Ok, i can see 1850 in the account balance but it should be 3125? From my first investment i earned 1850 and the principal was 1275

22/08/2020 17:20 - EliteCrypto Support: I will check that...now

22/08/2020 17:20 - Paulo Osório: Ok. I wait
22/08/2020 17:21 - Paulo Osório: 3125 is what i reinvested
22/08/2020 17:23 - EliteCrypto Support: Done
22/08/2020 17:25 - EliteCrypto Support: Seen?
22/08/2020 17:26 - Paulo Osório: Yep. Thanks
22/08/2020 17:27 - EliteCrypto Support: Your withdrawal fee then?
22/08/2020 17:28 - Paulo Osório: That will be deducted when i perform the withdraw, right?
22/08/2020 17:28 - EliteCrypto Support: Nope
22/08/2020 17:28 - EliteCrypto Support: Pay in
22/08/2020 17:28 - EliteCrypto Support: Through the coin payment
22/08/2020 17:30 - Paulo Osório: Why dont you deduct from what is there?
22/08/2020 17:31 - EliteCrypto Support: It can't that's the method....
When the coin payment receives your withdrawal fee then your profits would be released Asap
22/08/2020 17:35 - Paulo Osório: So, you guys will be in possession of USD 1750 of my money.
That's great
22/08/2020 17:43 - Paulo Osório: I tell what, ii pay you USD 1000 from my balance to withdraw
what i have left, this is double your fee
22/08/2020 17:44 - EliteCrypto Support: That'd have been great but I can't go against the formal
process please
22/08/2020 17:44 - EliteCrypto Support: Thanks for understanding
22/08/2020 17:47 - Paulo Osório: That doesnt make any sense. It is only an additional proof that this
whole thing is a scheme to steal money from people. These big earnings never existed and they only
serve to enciursge people to put more money in the scheme.
22/08/2020 17:52 - Paulo Osório: I am tired to debate this. I will make sure that this thing go public
25/08/2020 06:46 - Paulo Osório: I urge you to allow my withdraw to be processed. I am not adding
any more money to this site, which I dont trust. If you feel like it, deduct the 500 usd withdraw fee
from my balance and send the rest to my wallet. Please dont make me regret all of this, there will be
consequences
25/08/2020 07:26 - EliteCrypto Support: Please there is no regret send the 500 to coin payment and
we'd approve your withdrawal asap
25/08/2020 07:42 - Paulo Osório: Deduct the 500 from my balance and make the withdraw
25/08/2020 07:55 - EliteCrypto Support: Like i said before we have no right to tamper our investors
profits.
25/08/2020 07:55 - EliteCrypto Support: Trust me after the 500 fee
Your profits will get to your wallet immediately
25/08/2020 08:08 - Paulo Osório: I dont trust you at all. These profits are all fake. From the very
beginning you, first: wanted to know how many bitcoins I have. After that, you pushed me to invest
more and more, using as bait unreal profits. And finally, when you realized that I wont add and new
money, you came with this ridiculous rule to pay extra money to perform the withdraw, as a last
attempt to get something more to your scam. I am trying to get out of this mess without any further
inconvenience. Your choice
25/08/2020 08:09 - EliteCrypto Support: Don't get me wrong Paulo
25/08/2020 08:09 - EliteCrypto Support: Suit yourself
25/08/2020 10:44 - EliteCrypto Support: Chamada de voz perdida
26/08/2020 16:10 - EliteCrypto Support: Chamada de voz perdida
26/08/2020 16:14 - EliteCrypto Support: Chamada de voz perdida
27/08/2020 18:10 - EliteCrypto Support: Hello
27/08/2020 18:12 - Paulo Osório: Hi
27/08/2020 18:19 - EliteCrypto Support: How are you doing?
27/08/2020 18:20 - Paulo Osório: Good
27/08/2020 18:21 - EliteCrypto Support: Have you raised your withdrawal fee?

27/08/2020 18:21 - Paulo Osório: ???

27/08/2020 18:22 - EliteCrypto Support: <Arquivo de mídia oculto>

27/08/2020 18:23 - EliteCrypto Support: <Arquivo de mídia oculto>

27/08/2020 18:23 - EliteCrypto Support: We have nothing to do with your \$1270

27/08/2020 18:23 - EliteCrypto Support: Just follow the laid procedure and get paid

27/08/2020 18:27 - Paulo Osório: I dont know what are you talking about. I didnt do anything in the site for the last 3 days. Last thing was the attempt to withdraw the balance that shown up at that date of \$ 4975

27/08/2020 18:30 - Paulo Osório: Actually the website is totally inconsistent. I deposit \$1280 on the 19th of august. Now it shows that I have a balance of \$ 4375 and \$ 5650 in earnings, that doesnt make any sense

27/08/2020 18:33 - Paulo Osório: In addition the withdraw operation on the website shows pretty clearly that there is NO FEE to make the withdraw

27/08/2020 18:33 - Paulo Osório: <Arquivo de mídia oculto>

27/08/2020 18:35 - EliteCrypto Support: There are no fee in the site but we that processes the withdrawal are being charged \$500 by coin payment

27/08/2020 18:35 - EliteCrypto Support: Understand me

27/08/2020 18:35 - Paulo Osório: Yes, right...

27/08/2020 18:36 - EliteCrypto Support: So many bitcoin received today

27/08/2020 18:36 - EliteCrypto Support: When you pay the 500 in the coin payment you must surely get your bitcoin in your wallet

27/08/2020 18:43 - Paulo Osório: This is not stated in the rules and regulations of the website. It is just your word which I dont trust. I am not paying additional money for a thing that can be much more easier deducted from the balance already there. Since day you, a support guy, is insisently pushing me to deposit more and more. At some point, claimed that i needed at least \$ 20000 to allow me to withdraw my balance, which by the way is not referred in Rules and Regulations

27/08/2020 18:44 - EliteCrypto Support: Without merging it to the rules

That's almost common in every Crypto site

27/08/2020 18:45 - EliteCrypto Support: Coin payment must be settled before passing any transaction through it

27/08/2020 18:45 - EliteCrypto Support: Give me a very little of your trust let me change your thoughts

27/08/2020 18:46 - Paulo Osório: Settled it with 500 from my balance

27/08/2020 18:46 - EliteCrypto Support: No no

27/08/2020 18:46 - EliteCrypto Support: 👉🏆

27/08/2020 18:51 - EliteCrypto Support: Ok?

27/08/2020 19:22 - Paulo Osório: Lets do the other way around. You let me withdraw my money this time, deducting the 500 fee from my balance, then I will have solid evidence to trust you. Other than that I cant

27/08/2020 19:25 - EliteCrypto Support: Though I approve your withdrawal it won't reflect without paying the 500

27/08/2020 19:27 - Paulo Osório: That's a lame excuse. I dont buy it. Your sole intention is to get more bitcoins

30/08/2020 06:22 - EliteCrypto Support: I think you profits flashed back

30/08/2020 06:22 - EliteCrypto Support: Your*

30/08/2020 06:22 - EliteCrypto Support: Go thank your God

30/08/2020 07:51 - Paulo Osório: I will thank my God when I get my bitcoins back to my wallet

30/08/2020 07:52 - EliteCrypto Support: Try withdrawing it

30/08/2020 07:57 - Paulo Osório: "Sorry you can request not less than \$30000,00"

30/08/2020 07:58 - Paulo Osório: You changed the withdraw process

30/08/2020 08:00 - Paulo Osório: I saved the screens of last attempt and there was no such thing

30/08/2020 08:08 - EliteCrypto Support: As I was saying that the site was being upgraded
30/08/2020 08:10 - Paulo Osório: You set the minimum balance to whatever you want: 10000, 20000 100000. That doesn't change the fact that this is a scam to collect cryptocurrencies from people
30/08/2020 08:11 - Paulo Osório: Everyday is a different story
30/08/2020 08:19 - EliteCrypto Support: Ok
