

AMERICAN POLICE OFFICERS ALLIANCE

Dear [REDACTED],

Thank you for your 11/5/20 pledge of \$15.00!
Pledge#: 59 59-246262

The American Police Officers Alliance wishes to thank you for your generous support. The American Police Officers Alliance is a 527 political organization seeking to create an alliance of police, citizens, organizations, and public supporters working together to ensure our Nation's Finest and our citizens have a unified voice in politics that truly represents sound public safety and respect and honor of those who serve.

The American Police Officers Alliance has recognized that the bravery of the officers who risk their lives each and every day to keep Americans safe in their communities are overlooked at best and vilified at worst, just because they have the moral fortitude to stand up for what's right.

Our mission is to fight for those who protect our nation's citizens. We will ensure that police officers:

- Maintain their benefits, such as retirement pensions
- Rights are protected from government and politicians that are blatantly anti-police
- Ensure that our officers have the best local leadership possible

The American Police Officers Alliance is committed to defending strong police leadership and interests in our nation's cities. We will work to elect officials who respect and understand the decisions police officers are forced to make each day; officials who will stand up for our police force.

[REDACTED], I am counting on your promised gift. To comply with Federal law, we must use our best efforts to obtain, maintain, and submit the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 per calendar year.

Contributions to Americans Police Officers Alliance are not deductible for federal income tax purposes. You have my sincere thanks for joining the fight for our Law Enforcement Officers.

APOA wishes to thank you for your support!

With Gratitude,

American Police Officers Alliance

Paid for by the American Police Officers Alliance
