ASSIGNMENT OBJECTIVE

Due to the Federal Reserve Global Campaign on securities on mobile payments all federal malls & stores were advised to stop sale on some types of Gift cards, but surprisingly we received some reports that certain malls/stores like Wal-Mart are still selling Banned Gifts cards which is against the stated policies. In response to these our Organization has been contracted independently to conduct detailed investigation on stores/malls so as to unveil instances where policies has been disobeyed as well as instances where customers has been denied the privilege of getting Gift Cards.

FIRST ASSIGNMENT: (Wal-Mart Store)

NB: In case Wal-Mart store is a bit far from you or not available please text 501 800 9053 to receive a new assignment location.

1.) Locate any 2 Wal-Mart stores close to you (PLEASE IN CASE YOU HAVE ONLY ONE WALMART STORE NEARBY PLEASE TEXT YOUR COORDINATOR TO RECEIVE FURTHER DIRECTIVES).

2.) Visit the first Wal-Mart store you choose for your evaluation upon arrival you will be purchasing 3 different Wal-Mart gift cards worth \$400 each, while purchasing the 3 Wal-Mart gift cards note down any lapses in the performances of the tellers.

3.) You will be evaluating the performances of two different Wal-Mart stores close to you by purchasing Wal-Mart gift-cards. There have been various reports of lapses in the services of their Management and some of their staffs in some other locations.

NB: (A VALID WALMART GIFT CARD HAS A 16 DIGIT CODE AT THE BACK AS WELL AS A 4 DIGIT PIN CODE WHICH IS TO BE SCRATCHED)

WHAT TO EXPECT

- At each of the store you will be visiting, we expect the teller to load \$400 on each Wal-Mart gift cards upon the store manager's approval which might be electronic or physical. (I.e. If its electronic you won't know about it since it's on their systems but if its physical then a manager will come physically to the teller's desk to approve). - We need you to detect which of the two scenarios is adopted at that particular store.

- We expect the purchase of the 3 cards not to take more than 15mins max (Its paramount you time yourself at the first store & second store so as to know how long it took.

Upon completion of your assignment at the first Wal-Mart store contact your coordinator by text ('format of text' - Store1 Completed), your coordinator upon receiving the text will request for the pictures of the 3 cards so as to confirm accuracy before you proceed to the second store.

You will be conducting same survey at the 2nd store but this time around you will be purchasing 2 Wal-Mart gift cards at \$400 each.
