Hello Laura Estrada,

This email is to commemorate and confirm our conversation this morning.

You said we will receive all of our money back for this \$15,000 transaction, which is stated on your contract, if that is our desire.

However, the initial reason we allowed **Atlas VIP Group** to take us from our new Tesoro timeshare in Cabo San Lucas to the city of San Jose was that "Big AL" offered to give us **\$28,000** for our two timeshare contracts, even though one was a brand new Tesoro (cost only \$7,500) and the other Pueblo Bonito was over 10 years old.

I argued "...*why would you offer us \$9,000 us dollars for each of our time shares?*" He showed us a chart, where they could fractionalize our one week into several weeks where they could make many thousands of dollars per week. ? **Confusing, yes.**

The reason we gave to you for our demand for a refund was this; we received a phone call from Isaac Garcia, who told me personally on the phone that we must pay Atlas an additional deposit of \$7,500 to save our membership, but do not worry as it would be refunded. He said this must be paid right away before Atlas could process the account and pay us the \$28,000 as agreed. but I argued that this was not part of our agreement and sounded like a scam. He got extremely angry with me for questioning his honor and he then hung up on me.

You said we will receive all of our money back for this transaction, if requested. We have lost faith in this company. So, this is an email to request a full refund. Please reply to my wife Emiliana and myself to confirm.

"Thank you for your kind help!"
