

Hello

Accept greetings from Transglobalexpressdelivery.com, we apologize for the delay to deliver your package and we are doing our best to keep your package safe, your package has been scanned using the ION scanner and does not fit properly for delivery because of its nature of content and has been placed on hold. A refundable cargo insurance of \$600 is urgently needed to clear your package from HOLD to protect your package from going through further investigation and proceed with your delivery because it was shipped as a First Class Shipment. This insurance cost is sometimes higher than the value of your package but at the same time it is 99.9% refundable on delivery by our delivery agent but if the recipient won't be available on delivery you can choose any other means of receiving your refund which will be refunded immediately package is confirmed delivered, a receipt of payment will be issued to you when insurance payment is confirmed and your tracking number updated on Transit for delivery. Failure to work with us will leave us with no choice than to hand over your package to the authorities for further investigation your safety and satisfaction remains our top priority. We look forward to serving you more in the future.
