Dear customer

If you can pay \$15 , we will send 3 Large bras to you. And you can keep this bra you received, because you will pay for the high shipping if you return it.

If you accept our advice, you can pay by this link:

Pls let me know what size is suitable for you when you finish payment. Thanks.

Hello Customer Service,

I received my order today. I was very certain that I ordered large, not extra large. This extra large size is too large for me, even with all the fasteners on the smallest setting. They are very unflattering. I want to return them. How can I do this? What address do I need to return these to?

Thank you

Charlotte Sauder
