Safety Supply Center provides unique capabilities and resources that allow us to acquire one of the best reputations for quality and service in the industry. With over 1000 products to offer, we are confident that we are your one-stop-shop for all PPE-related things. Our goal is to make safe and comfortable work environments with our products. It is crucial to be OSHA and safety law compliant; we're here to help. All personal protective equipment can be ordered in bulk and customized to have your company logo on it. For further questions or to request another quote contact our sales team. **This is a solicitation for the order of goods or service, or both, not a bill, invoice, or statement of account due. You are under no obligation to make any payment on account of this offer unless you accept this offer.** As an equal opportunity employer, we strive for 100 percent customer satisfaction. Our focus is to leave a positive impact on all aspects of society through our products and team.
