Am in [Bend OR]for now and i will be in your area SEP 15 i need your service for my adorable daughter,she is friendly and playful. She is 5yrs old her name was Lisa very comfortable with other kids so depend on your schedule and also need you to run some errand for me and I'll pay you separately and simple errands that won't affect your present job. i need reliable,mature person young or older that like kids and make her comfortable,This could be temporary/permanent job, I'm moving to a new house and I'll need to fix the interior and new furniture set, and I have contacted the furniture company about delivering the items to the house and you will be informed as soon as we finalize issues,we could meet at SUBWAY very close to you on SEP 16 for you to know more about me.

The start date is SEP 17 you can work as long as you want with me but you have to be honest with me and you will be paid at the end of each week I intend to commit you by paying you for the first week of your service before our arrival to secure the date so I can be absolutely sure of having ~~you care for my daughter.~~The

The furniture and other little house interior cost \$850. my Payroll Department mail you a check of \$1,150 to cover all the expenses including your first week payment So altogether you will get \$300 and that will be deducted from the \$1,150 once you received the check no disappointment, some of the home interior need to paid for and you will do all this at the Walmart Store close to you so it won't be a stressful for you and you will be glad for working with me. I just want to confirm your information on your profile before I forward it to the Payroll Department, The payment can be mail out probably as soon as possible.

Kindly confirm below information for immediate processing of your check.
