Dear Stefan Olteanu ,

Welcome aboard!

We are always delighted to see a new face on the **INFINITY4X** trading and investing platform.

**INFINITY4X** offers a variety of stocks and cryptocurrencies to invest in, from different exchanges around the world, and you can access all of them on our easy-to-use, friendly interface.

In order to complete the account opening procedure please provide us with the following documentation:

### Proof of Identity documentation:

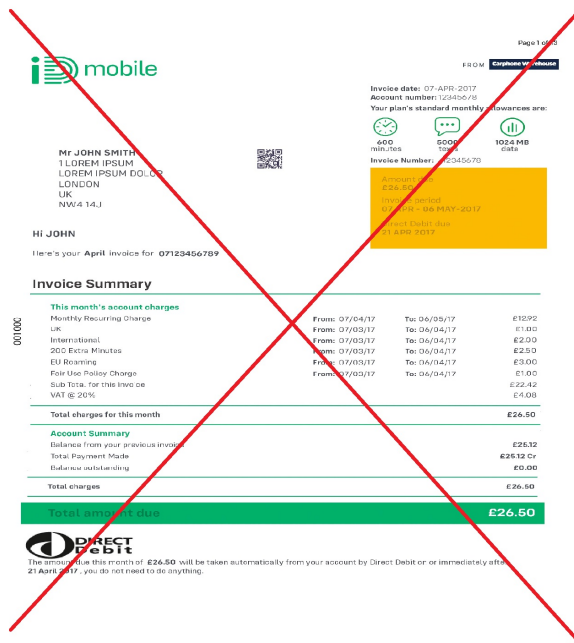

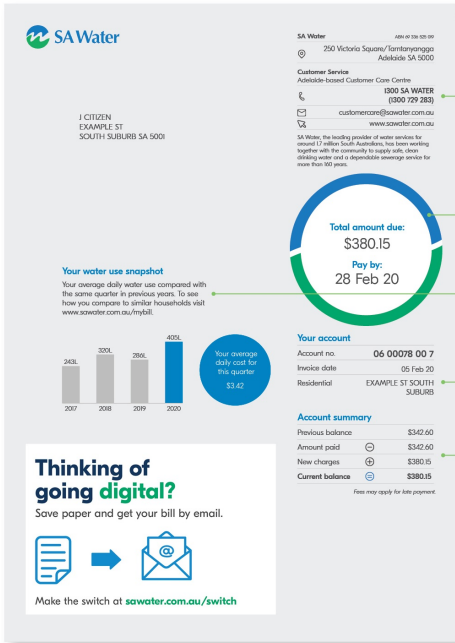

- **A clear photo (we are not allowed to accept scanned documents) of your Passport or another official state ID's (e.g. identity card or driver's license) both sides, and all four corners should be visible. The ID document provided must be valid more than 3 months from now and contain:**

Your full name, an issue and expiry date of the document, your date of birth, and a sample of your signature.

**Proof of Residency:**

- **A clear copy (in PDF or JPG format)** of a Utility Bill (Gas, Water, Electricity, etc), a recent Bank Statement, a Residence Certificate (stamped), or a Governmental Documental (Tax Bill) issued not older than 3 months confirming the address of registration (**has to match the address on your ID document if there is an address**).

**In case the deposit is made by a Credit/Debit card:**

- **Photos of both sides of the card used for the deposit (showing the first 6 and the last 4 digits of the card).** The card **must be signed** on the backside (in the special field), **CVV must be covered** (due to security reasons).

Do not hesitate to contact us if you need any assistance or have any questions, and a member of our team will be happy to help you. We remain at your disposal.
