Delivery Policies

Substitutions: We are committed to delivering your important emotional sentiments on time and as fresh and beautiful as possible. Because of the nature, seasonality, and regional availability of flowers and plants, it is sometimes necessary to make substitutions of equal or greater value. We will make every effort to maintain the "look and feel" of the arrangement by considering the overall shape, size, style, and color combinations. In single-variety arrangements the variety will take precedence over color. White roses and cream roses may be substituted for each other as well as peach roses and pink roses. Purple and pink orchids may need to be substituted for white orchids and visa versa.

Weekend Deliveries: Deliveries are available on Saturday and Sunday. If we are unable to deliver on Sunday and time permits we will set up for delivery on Saturday, including Birthday and Anniversaries, Valentine's, and Mother's Day Orders. If we cannot deliver your order on Saturday or Sunday, then the order will be delivered on the next available date with a note of apology from our company.
