Hello,

I have attached a copy of a business registration that I would like to validate. there appear to be many issues with it from what I can see.

They go by the name of Azmith Financial, and claim to be a registered business in BC.

I couldn't seem to find how to use your system for a search. I also live in California and going to an office is a bit difficult.

Any information would be greatly appreciated.

Hello [REDACTED],

Thank you for contacting BC Registry. As discussed, BC Registry has no record of the business name **Azmith Financial** being currently or previously incorporated or registered as a corporation, a foreign corporation, society, partnership, proprietorship or financial institution in the Province of British Columbia. There is also no current record of name application under **Azmith Financial** as of this date.

Please do not hesitate to contact our office should you have any questions.

Kind regards,

Claudine
