

Student Loan Data System Access Permission

As part of the federal student loan assistance application process, it will be necessary for Students Alumni Counseling Center to access your student loan information within the student loan data system located at www.studentaid.gov.

The data system contains a complete list of your federal education loans, along with current estimated balances and servicer(s) details-information that is required to complete your paperwork.

By enrolling in the SACC program, you are agreeing to allow company and its authorized agent(s) to access your profile and all that data contained within that profile.

Acknowledgment:

I, Kathy Mann, hereby acknowledge that I have read, understood, and agree to the above statements regarding access to my data system profile. I understand that any information received or accessed will be used solely for the purpose as stated above.

By signing this acknowledgement, I agree to allow Students Alumni Counseling Center, to access the student loan data system and my personal profile as explained above.
