Subject: ORDER

Hi, I'm trying to get a confirmation of the order I placed on Feb. 13 for the Premium 3-in-1 portable treadmill ID: 021422J2500309. Not only have I NOT received confirmation but the amount charged was supposed to be \$73.82 and I was charged \$84.89.

Please confirm asap! If I don't hear from you by tomorrow I will file a dispute with PayPal to get my money back. I've read bad things about this company on the internet, is this a SCAM?

Thank you
