Payment Guarantee Policy:

How it works:

- ✓ **Buy with Confidence!** eBay protects your vehicle purchase against fraud and material misrepresentation. This program is provided for **FREE** on all eligible vehicle transactions. There is no sign-up, opt-in, or registration necessary.

- 1. Buyer and seller agree to terms;** Both parties agree to terms of the transaction, which includes a description of the item, sale price and 5 days for the buyer's inspection. Any invoices that are not paid within 12 hours will expire and your item will no longer be reserved.
- 2. Buyer Pays eBay;** The buyer submits payment in full by *****eBay - Card or OneVanilla Card*****.
- 3. Seller delivers the item;** Upon payment verification, the seller is authorized to deliver the item and submit tracking information. eBay verifies that the buyer receives the item and the inspection period begins once the item is delivered.
- 4. Buyer receives the item;** The buyer has 5 days to verify the item and the option to accept or reject. Return delivery will be at the seller's expense.
- 5. The seller is paid by eBay;** The transaction is complete. In rare cases when something goes wrong the buyer must notify our agency with the item issues, after the inspection period. A solution to most problems can usually be negotiated between the buyer and seller. If this is not possible, the buyer will receive the money from our trust account.

Why should I use eBay Cards or OneVanilla Cards? This is the safest method of payment; No credit card or bank account required to use these Cards; The fast and easy way to add money without a bank account; Once the transfer is complete, your money is instantly available for use; **Important Note:** For transactions with large amounts or if a Buyer has a very low feedback or is new to eBay, Credit/Debit card or PayPal(online) is allowed if the amount is not greater than \$100,00. In case that your purchase amount exceeds \$100,00 the Buyer submits payment thru eBay Card or OneVanilla Card.

Verify an order's eligibility:

eBay sends an invoice to a buyer only after our Financial Department has verified all the following information:

- paperwork of the vehicle, including ownership and clear title
