In response to your request corresponding to contract mentioned above, GALAXY PREMIER CLUB is offering ONE of the following options in order to assist you in your choice of how to proceed with your membership. Check one of the four options below:

1. **Termination of Agreement Galaxy Premier Club.** Member(s) will relinquish all their rights and privileges to their membership upon payment of the termination fee agreed upon by the corporation and member in the amount of **\$0.00 USD**. By choosing this option members understand they can't issue a credit card dispute process. There will be no liability of membership costs, or dues and all rights and privileges will be canceled. The membership costs will then be refunded in the amount of **\$1,425.00 USD**, it will be returned to customers wire transfer to their selected bank account. The refund will take place on March 17th 2022.

2. **Litigation Process.** GALAXY PREMIER CLUB will freeze your account and all funds paid for your protection until a final judgement is given from the court in Guadalajara, Jalisco, México or Mexico City, Mexico depending on the docket number you are assigned. This process will take a minimum of three months to start and an undetermined amount of time to conclude. This will also require all parties involved to be present in court for each hearing in one of the above-mentioned cities. Upon receipt of your docket number, you will also need to obtain qualified legal counsel in Mexico to attend your legal proceedings.

3. **Funds retained as liquidated damages.** In the event, the above-mentioned members wish not to partake in any options provided or abandon the membership, the membership will be deactivated and all funds paid in retained as liquidated damages. The time frame for a dispute will be a maximum of 30 days after the notification of this action. There will be no refunds or considerations in any capacity after this point. Any and all actions that are taken which do not correspond with listed choices above will be considered situations in which the company will take the funds paid in as liquidated damages for breach of contract or abandonment of the membership and 0 funds will be refunded.
