Admin of Dachshund Puppies For Adoption

Sun 5:24 AM

**You sent** - Hi Rebeca - Can you give me information on Brett? Also looking at Rizzo and Wilson. Thanks

Sun 9:11 AM

**Rebeca** - Hello this is the admin of dachshund puppies for adoption group you requested for a puppy Are you still interested in a dachshund?

You can now message and call each other and see info like Active Status and when you've read messages.

**You sent** - Yes! We had two and have very recently lost both. I was online with what ended up being a scam so we're really having a hard time.

Sun 9:45 AM

**Rebeca** - I totally understand, now everyone is skeptical about everything they do online that really pains me so badly. it pains me so badly when people cry of scams, people go through Holland stressful days just to be able to feed themselves and family. So I can assure you I don't have that kind of evil and sinful heart.

I am also the admin of the group you requested for a puppy and I have already removed and blocked all scammers from the group okay?

**You sent** - Yes. Thanks

**Rebeca**

Is there any difference if we meet halfway? You still didn't confirm whether both dogs were available.

**Rebeca** - There are both available. They are a thousand legitimate ways to earned money working with ones hands. The last thing I can do is stand so low as having to play over people's emotions to deceive their hard

earned money. What do I tell my spouse or siblings as in regards to how I earned a living. Am better than that. What will it profit a man to gain every money in the world and lose his/her soul.

**You sent** - Well, I have \$900.00 tied up right now in a scam so unfortunately, I cannot afford financially or emotionally to take another chance like that. When can we come to pick them up?

**You sent** - I really need you to just be straight with me. We very much want a dog as we lost our two dogs within 2 months of each other and it's been very difficult for us. I've already been scammed out of a large sum of money by cruel, evil and heartless people. If my husband drives 4 hours to see a dog or dogs, and this is a scam, there will be serious trouble. I am not going to give you money until we see a dog. If I send my husband this morning, he can be there by noon. He will pay you cash and take the dog or dogs home today. Any reputable breeder would have no problem with this. If you need time to get them checked or paperwork done, we can wait for that. I stand to gain nothing from deceiving you. I am 100% committed and ready today. Let me know.

**Rebeca** - I am sorry ma we don't aced home visits without a deposit. I have told you I am the admin of the group you requested for a puppy and you can check back in the group! Your gonna see recommended posted by people who got a puppy from me

**You sent** - What difference does a deposit make to see a dog? Other then you're just trying to get money. As an admin, you can post, or remove when needed, any post.

**Rebeca** - Am but that's the policy made by my husband

**You sent** - So, what your saying is if I give you money, then we can come to the house and see the dogs? The only difference being that you get money?

**Rebeca** - If you make deposit now the puppies the puppies will be ready for pick up anytime

**You sent** - I cannot do Zelle as my account has been locked. I can do cash when he gets there.

Ok am sorry but that's our policy We will just have to give out our puppies to interested families ready to get a puppy

**You sent** - This is ridiculous. We are interested and ready with cash. You're soul motivation is to steal money.

**Rebeca** - I'm not

**You sent** - You only want money from me.

**Rebeca** - And you want a puppy from me

4:54 AM

**You sent** - It's unfortunate that you are not willing to make that happen.

10:18 AM

**Rebeca** - Sorry

**You sent** - I want you to know that we have found another source - A legitimate breeder - and are headed to that location to pick up a dog. I'm glad we finally found someone who was not trying to deceive and steal. I plan to report you as a fraud, scam and criminal
