- **Delivery Policy:** Clothes are delivered within fifteen days internationally by Streetmi.
- **Shipping Policy:** Streetmi ships the order within five days.

The above is what you say. My order 7/1/22 still not shipped. You have my money. I'd like my order please. I should have read about your site before ordering. You only have a 2% trust rating. Sad...today's date in the USA is 7/23/22.
