Re: Order?

To service <service@stellaclick.com>

This is what it says for a month now.

Active Your package will be shipped out ASAP

Summer will be over in 30 plus days and still do not have clothes for Summer I ordered.

I do not like nagging but really....

Hi there,

We are sincerely sorry for the delay and inconvenience.

I have told our related department to speed up the process of your order.

You will receive an email notification of the tracking number after the order shipped.

Please do not worry, your patience will be highly appreciated.

Thank you and have a nice day!

Subject Order?

Order No. 00004923
Placed on Jul 02,2022

Still not shipped...

Is this a scam?

I want my order.
