Withdrawing Funds – How Does It Work?

At AtlanticTradePro, we have designed our withdrawal process to be as easy as our funding process. To begin the withdrawal process first select your preferred withdrawal method and then type in the amount you want to withdraw and click "Proceed".

What Methods Are There For Withdrawal Of Funds?

AtlanticTradePro provides three(3) withdrawal methods (Bitcoin, PayPal and Direct Bank Transfer).

Must Withdrawal Requests Only Be Made At Certain Times?

Requests for withdrawals can be made at any time via the AtlanticTradePro website. The requests will be processed immediately, and during the relevant financial institutions' business hours.

Is There A Withdrawal Limit?

Withdrawals are capped at the amount of funds that are currently in the account.

How Long Does It Take To Get My Money?

Withdrawal requests are addressed and handled as quickly as possible.
