TALK WITH CUSTOMER SERVICE AT : +1 973 638 6650

Dear Sir/Madam,

Accept greetings from **SKY PET MOVERS. AIR CARGO CO.** We are delighted to inform you that we have your Female Dachshund Puppy(Nikki) at our agency now ready to be shipped and delivered to your home. Her flight fee has already been paid by your sender and we are obliged to ship the puppy to you now. We Can't proceed with her delivery now because after putting your puppy through several checks, we discovered that the puppy can not be shipped out because weather forecasters at our weather station here in with animal control have discovered that the weather would not be favorable for your puppy to travel through as well as weather conditions of other states which we have to pass through before arriving your location. In addition to that, your puppy and all other pets on board will need a first class crate to be shipped inside because of this current weather condition. This problem was discovered by animal control so with this problem and that of the weather, your puppy needs an **ELECTRONIC AIR CONDITIONED/HEATED PET TRAVEL CRATES** . We want you to know that your puppy needs an

Air Conditioned/Heated Pet Travel Crate now before we proceed with shipping and delivery .

We also want you to know that we have available, Air Conditioned/Heated Pet Travel Crates that you can purchase or rent at a refundable condition of funds for use. You have to look through the list below and get the most suitable one for your puppy to be shipped in.
