

**Adoption Contract #: 021143**

---

A contract not only protects you as the purchaser and **"James Mckibban"** as the seller, it more importantly protects the adopted puppy. Agreements between all parties help prevent problems that may arise due to misinterpreted assumptions. In addition, the ACHC ethical breeder program requires that a contract is signed whenever a puppy is sold. This contract is designed to protect all parties involved in the adoption of a puppy/dog. The contract not only serves as a legally binding agreement between the purchaser and seller, but also as a promise of ethical and humane treatment for a living animal.

2. Puppy/dog will receive booster vaccinations, yearly health examinations and any procedures and/or treatments as recommended by your veterinarian.
3. Puppy/dog will be supplied with fresh water and dry food at all times. Dachshund do tend to eat more often than dogs with a different energy level, so we recommend feeding a very high-quality food.

## Mini Dachshund Adoption Contract

4. Puppy/dog will not be given or sold to any pet store, given or sold to a research laboratory, given or surrendered to an animal shelter or rescue shelter, or abandoned under any circumstances. If you find that you are no longer able to care for the Puppy/dog the Seller will be contacted and given first right of refusal. We will always take back one of our Puppy /dogs in order to help find a suitable home.
5. Transfer of ownership of Puppy/dog and all responsibilities of said Puppy/dog occur as soon as the Puppy/dog leaves our Breeding home.

### **SELLER'S AGREEMENT**

The Seller Agrees to the Following:

1. Puppy/dog has been raised with freedom to roam within the house. Cages are not used. Puppy/dog has never been abused or neglected - i.e., left without water or food, while under our care.
2. Puppy/dog will be registered with ACHC. Registration papers will be given to the purchaser on delivery.
3. Puppy/dog is of social temperament. The Puppy/dog has had human interaction (including hugs and kisses) from the time they are born.
4. Puppy/dog'(s) health maintenance record will be provided to the purchaser. The maintenance will include up-to-date vaccinations and two series of de-worming,
5. Puppy/dog is guaranteed to be healthy at the time he/she leaves our Home. No known sick animal will ever be placed by this Breeding home to any purchaser. This is the Puppy's/dog's health guarantee. All puppies come with a two-year (from the date of birth) genetic or congenital guarantee. If, during the puppy's first year of life, your veterinarian finds a congenital birth defect, the puppy will be replaced with a puppy of equal value, less any airline cost. Guarantees are not transferable and are valid for the original purchaser only.
6. Puppy/dog will have up-to-date vaccinations. Due to the controversy of the FIP vaccine, we do not participate in the use of them. PLEASE do not use the FIP vaccine as it is a live vaccine and has been known to kill puppies. Use of this vaccine will nullify the health guarantee we provide.
7. We are dedicated to ending hip dysplasia, eye problems in the Dachshund. All of our breeding dogs and retired dogs are hip dysplasia, eye problems tested annually. We will only work with breeders who do the same.
