Failure to have animal checked by a licensed veterinarian within 72 hours after the date of sale (or date cat leaves **Archer Devon Rex Cattery** in the event the cat is being shipped), will void any guarantee. It is recommended that the new kitten/cat be quarantined during that 72-hour period. If said kitten is found to be medically deficient with an untreatable or life-threatening problem, this must be reported to the Seller immediately. **Finex Devon Rex Cattery** does not guarantee against umbilical hernias as they are not life threatening and can be fixed when the kitten is neutered or spayed.

Buyer understands that declawing is a mutilation involving the amputation of a large portion of the kitten/cat's toes and which is likely to alter the kitten/cat's temperament and health. Buyer agrees that Seller cannot ensure the temperament or health of any kitten/cat which has been declawed.

BUYER AGREES THAT THIS KITTEN/CAT WAS SOLD WITH THE UNDERSTANDING THAT IT WOULD NOT BE DECLAWED.

It is the intention of the Seller that this is a permanent placement. Should buyer not be able to keep this animal for any reason, including the incapacitation or death of the buyer, Seller is given the right of first refusal or it is to be returned to breeder/seller for placement without refund of any kind, unless the above written permission to transfer ownership is obtained. Both Seller and Buyer agree that the kitten/cat described herein is unique in character. Seller has the unconditional right to reclaim kitten/cat without refund of purchase price for any breach of contract. Any failure to comply with These terms will result in the Seller's repossession of the cat and a fine of 1000.00, plus any court costs, placed on the Buyer to be paid upon proof of noncompliance.

The laws of the State of **Ohio** shall govern the validity, construction and performance of this Agreement of any cat/kitten purchased. Any legal action required to enforce the terms of this contract will be brought forth in Fluvanna County in the State of **Ohio**. Breach of contract penalty is \$1,000 per breach PLUS Buyer shall be liable for any court costs and related charges including attorney's fees associated with Seller enforcing the terms of this contract. This agreement is the entire agreement between the parties.

SELLER RECOMMENDATIONS

- (1) The cat should be isolated from other pets for at least one week for cat to acclimate to its new surroundings.
- (2) Any changes to the cat's diet should be made slowly as sudden diet changes

may result in episodes of diarrhea.

(3) The cat should be fed premium cat food. Your kitten has been fed Royal Canin Baby Cat or Royal Canin Kitten and canned food for a treat. It is recommended that your kitten have access to dry food and water at all times and offered wet/canned cat food only occasionally as a treat.

(4) The cat should be given frequent and kind human attention, providing this cat with a generous amount of play and exercise.

(5) The cat should not be caged with the exception of short-term confinement if necessary.

(6) Avoid clumping litter for at least the first 6 months of the kitten's life. Kittens sometimes eat kitty litter and if ingested, it is reported that the clumping types can cause intestinal blockages.

Deletions or additions to this contract must be initialed by both parties. In signing this document, Buyer acknowledges that he/she has read, fully understands, and agrees to all of the terms and conditions of the above sale. Aware that this Agreement of Sale is for mutual benefit, we hereby affix our signatures.
