Hello Jeannette

Thanks for the mail. I must say we are impressed by your response to our questions and your response proves to us what a loving and caring person you are and what a great loving and caring home you have. After a keen thought and consideration, we have found your home suitable for any of our puppy(s). Puppies will be coming alongside all papers (vet certificate, vaccination card, Health guarantee, transfer of ownership, parents certified pedigree certificate, sale certificate) and a small booklet that will provide you with more information on taking good care of the puppy. All puppies are vaccinated, wormed, microchip, house and potty trained.

We are located in Brownsville TX and are open to viewing and collection. Also we are able to arrange for shipping and delivery to your home or pick up at any major airport for those who are not able to come through to pick up the puppy. Shipping and Delivery can be arranged for Hartwell Ga, Delivery to Hartwell Ga will cost \$ 200 per puppy for delivery to your doorstep. Delivery takes just a day as the puppy will be shipped by air and driven to your address for delivery. We shall be needing the following information from you to process transfer of ownership papers, health guarantee and for delivery arrangements with the courier:

Full Names:.....

Delivery Address:.....

Contact Number:.....

Closest Airport to delivery address:.....

Best Date of delivery:.....

We are going to have the puppy registered with the courier on your best date of delivery once payment is confirmed and once we are done with the registration, we will provide you with your air waybill or tracking number and the courier will then contact you with full flight and delivery information's i.e departure and arrival times and expected time for home delivery
