Dear Ronnie,

We are sorry to keep you waiting.

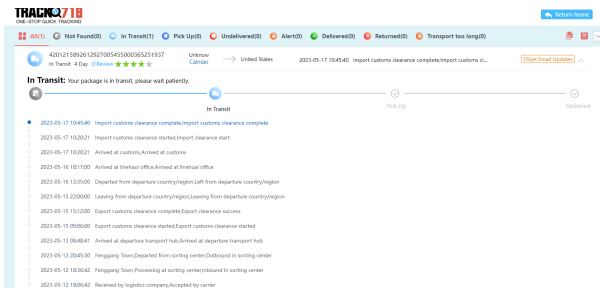

After checking, we found that your parcel has been shipped, and it usually takes 7-15 working days to arrive after shipment. Attached is a picture of the shipping details. Here is the tracking link you can get your order status: <https://www.track718.us/en/detail?nums=4201215892612927005455000365251937>

Please keep your phone on or else the carrier is unable to contact you. If you have not received this order until the last day, please feel free to contact us and we will do our best to help you and provide a satisfactory solution.

If you have any requirements or help for your order, or something is not satisfied, could you pls let us know the first time?

Always waiting for your reply.

Best regards,
Sadie
