So, now that I've told you all about just one of our amazing product lines, definitely look out for the Survivor Flashlight Tool and catalog card which will arrive to you in the next few days, but what I will do in the meantime, is send you out a small box of the **ONE SHOT CLEANER** and a small box of the **ONE SHOT DEGREASER JUST SO YOU CAN SEE** how great the product is for **YOURSELF!**

Now, we are **SO SURE** that you will **LOVE** the product that you will not see **any** invoicing or paperwork until you have had the chance to not only **TRY** the product, but also make sure you are 100% satisfied as well. It's absolutely **RISK FREE** for you. We want to **earn your business**, not sell you one product.

So, real quick____, grab a pen- I'm going to give you a couple of my details....**HAVE YOU GOT A PEN HANDY?**

Ok, great! Write down my name and phone number- and don't forget to call me back if you need an extra flashlight for family member or a co- worker.....My name is _____ and the name of my company is Future Industrial. My phone number is 866-929-1855 and my extension number is 7, 7, 7- Thank goodness they didn't give me 3 6's right? LOL

Also, a really great feature is that the since the products are designed economical to ship with their small size, we do take care of all transportation fees...now do I need a PO# to get the product in the door for you to try or do you want me to mark the product verbal to your attention?

If they give a Po#: Perfect! And____my ultimate goal is for you to love our products and reorder more in the future so when the product comes in, please have the boys try it out right away. Have them use it on your toughest applications. **ONE SHOT CAN HANDLE IT**, it will not disappoint and then pick up the phone or shoot me a quick email and let me know what you thought. I'd love to hear from you!
