

FUTURE INDUSTRIAL 2023 (Survival Flashlight / Tool)

If they DON'T give a po#:

So, what I'll do is mark it verbal to your attention, this way you can try the product and then once you ARE satisfied, you can attach a po# based upon your satisfaction. Would that work better for you _____ (his name)?

_____, (his name) my ultimate goal is for you to **LOVE** our products and in turn, order more in the future so when the product comes in, please have your team work with it right away. Have them use it on your toughest applications. **ONE SHOT CAN HANDLE IT, it will not disappoint** and then pick up the phone or shoot me a quick email and let me know what you thought. I'd love to hear from you!

EMAIL REPLY-SUPER IMPORTANT

Oh and lastly, we are having a HUGE contest for a Bahamas Trip to the Atlantis Resort which is kind of like Disney in the Caribbean with water slides, lazy rivers lots of adult-only pools where I can hide from the kids..It's only 15 minutes in the air from where we are here in South Florida. The way we are entered is by email replies because UPS charges hefty rerouting fees so when my warehouse sends over an email double checking your address- if you can just reply that the address is correct (unless it needs to be changed) I will forever be grateful...Oh and speaking of which, what is your email address?

VERIFICATION

Thanks for taking the time to talk with me today, I truly appreciate it, before you hang up, let me just have my warehouse lady- because she walking by me now just double check your address and I'll let you get right back to work. Thanks again for the opportunity _____ and God Bless and please don't forget to keep me posted. Have a great day, but hang on real quick for Tina from shipping, I'm handing her the phone now, hang on _____.
