

Good to have you on here Bonnie

I am Christian from Fortive Corporation, we are very pleased with your listed qualifications on (ATS Platform) and would like to conduct an online interview for the open position of (Data Entry Specialist) .The pay-rate is \$25/hr. training is \$15 this is strictly an online work from home job, will you have any issue working from home ?

No issues I currently have been working from home since Covid with current employer

Good, Your Interview will be enlisted Online via instant messenger. Do you have Wire Chat App on your Phone Laptop or PC to commence on your interview? In order to get in touch with your hiring manager?

Here is the link in other to have it installed on your PC or Mobile device and itâ€™s very flexible to use

<https://wire.com/en/download/>

Downloading now on Mac laptop

Alright and take your time

Should I create account

Yes definitely, Proceed and setup an account in other to get connected with him

Hello what's the status

Sorry still working ft but working on it right now

Alright

All set

Awesome, Kindly provide me your ID OR you have him invited with his above ID
