Hello,

Thank you for using CoinPayments.net! To complete your checkout with Safu Trade, send 271.11255000 TRX to TFFJVtn5GrVb1bWsTXbEZEDxQoJEdJZeBi within 2 hours (make sure you leave enough time to get 10 confirms before the time limit!).

Note: Some of the Qt-based wallets only let you enter 6 digits past the decimal point; if the last 2 digits of your total aren't 00 you will need to round up to the 6th decimal place.

You are almost set, only one more step to create your account! Click here to continue:
