Hello Dianne.

You mean to tell me that I will not get 100% of my money back? That is unacceptable!

On April 18 I was charged on my credit \$107.95. I have been emailing you guys since May 19. I have done my part. This does not work for me and I want my money back and you are now telling me you are only giving me 50% of the amount I paid? No way! Let me know how to send you your product and refund me 100% of what I paid. Let me remind you of your 100% money back guarantee, 100% of the money, not 50%. Please see below.
