RE: ESTATE ACCOUNT OF YOUR RELATIVE.

Dear Beneficiary.

On behalf of the Trustees and Executor of the estate account of my late client; I Barrister Stefanie Larsen Eduardo once again tries to notify you as my earlier letter returned undelivered.

I hereby attempt to reach you again after our final meeting with the holding Bank auditors by this same resident address on the WILL of your late relative.

I regret to inform you that your relative has passed away, he died on the 18th day of March 2022, at the age of 96 years, he had been suffering with lung cancer for the past years, as you know and, despite the fact that he'd recently spent his 96th birthday surrounded by his friends in his hospital bed, his condition worsened at the beginning of March and he died on the 18th day of March 2022 peacefully in hospital. I think it's ungodly to have abandoned a relative even at his point of death.

I'm so sorry to have brought you this sad news at this moment and hope to be able to speak to you about happier events regarding his estate account in which you are the beneficiary.

Please if I reach you this time as I am hopeful, endeavour to get back to me as soon as possible to enable me conclude my job, this law firm speak and understand English

I hope to hear from you in no distant time through my office Email address or direct number.
