Interest Charge Calculation For This Period

Your Annual Percentage Rate (APR) is the annual interest rate on your account.

Type of Balance	ANNUAL PERCENTAGE RATE (APR)	Balance Subject to Interest Rate (ADB)*	INTEREST CHARGED
Balance Transfers or Purchases	10.750% (v)	\$0.00	\$0.00
Cash Advances	15.750% (v)	\$0.00	\$0.00

(v) indicates variable Rate

* Average Daily Balance

How we compute your INTEREST CHARGES

Interest Charges: We calculate the INTEREST CHARGES on your account by applying the monthly periodic rate to the "Average Adjusted Daily Balance" on your account. To get the "Average Adjusted Daily Balance", we take the beginning balance of your account each day, and then we add all debits and subtract all payments and credits. Then we subtract any late charge, finance charge, or any other charge that remains unpaid. This gives us the adjusted daily balance. Then we add all the adjusted daily balances for the billing cycle and divide by the total number of days in the billing cycle. This gives us the "Average Adjusted Daily Balance". The monthly periodic rate is determined by dividing the APR (Annual Percentage Rate) by 12.

How to Avoid Paying Interest on Purchases: We will not assess interest charges on any new purchases if your previous statement balance was zero or paid in full by the Payment Due Date shown on the front of your statement. A credit balance is treated as a zero balance.

The INTEREST CHARGES for cash advances, and convenience checks begin on the date the item is posted to your account and continues until the cash advance balance is paid in full.

Minimum Payment: You have the option of paying the New balance as disclosed on the front of your billing statement or deferring full payment on your Account. In either event, your payment is due by the Date Payment Due. If you elect to defer full payment, you must pay at least the Total Minimum Payment Due disclosed on the front of this statement. You have the option of making larger payments on your Account at any time, reducing your exposure to additional Interest charges.

BILLING RIGHTS SUMMARY

WHAT TO DO IF YOU THINK YOU FIND A MISTAKE ON YOUR STATEMENT

If you think there is an error on your statement, write to us at: SchoolsFirst FCU P.O. Box 11547, Santa Ana, CA 92711 or contact us on our website at www.SchoolsFirstFcu.org.

In your letter, please include the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing (or electronically). You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate, whether or not there has been an error the following is true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of the balance
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases: If you are dissatisfied with the goods or services that you purchased with your credit card and you have tried in good faith to correct the problem with the merchant, you *may have the right* not have to pay the remaining amount due on the purchase.

To use this right all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with a cash advance from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not have yet fully paid for the purchase.

If all the criteria above are met and you are still dissatisfied with the purchase, contact us in writing (or electronically) at the address or website listed above. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
