Hello,

My name is Elise, and I am reaching out on behalf of Invisibrush, a leading provider of oral and dental products.

While we've enjoyed the success of our products offline, we're expanding our reach through social media and digital marketing. That's why we are currently looking for a talented content creator to make creative UGC content featuring our product that we can use on our social media pages.

After reviewing your socials, we feel that your style is a great match for what we need and we believe that your unique approach to content creation will help us effectively showcase our product in a visually engaging and compelling way.

Feel free to check our Instagram page:

If you are interested in cooperating with us, please let us know, and we will provide you with further details, pay rates and instructions on the next steps. We look forward to hearing back from you soon.

**Best regards,
Invisibrush Team**

Hi Invisibrush Team,

I hope you're doing well.

I'm following up regarding my Nano-Clean toothbrush order placed as part of our UGC collaboration. In your last message on April 16th, I was informed that shipping would take about 2-3 weeks, but it's now been over a month and I haven't received the package or any tracking details.

Could you kindly provide an update on the status of my order, including a tracking number if available? I'm still very much looking forward to creating content for you, and I'd love to know when I can expect delivery so I can plan accordingly.

Looking forward to your response.

Warm regards,
Jennifer Okolo
