Charles Scott,

The warranty on your Ram 1500 Quad Cab has expired!

Act now while you can still receive the best factory-backed vehicle protection possible. A Ram FlexCare plan can provide coverage similar to your Basic Limited Warranty. The lower the mileage, the better the protection, and the lower the prices. Ensure yourself many years and miles of worry free driving knowing that you're protected.

Ram FlexCare plans are specifically designed for your Ram 1500 Quad Cab and also available for the other car in your garage. They provide electrical and mechanical protection to over 5,000 components, for up to 5 years or 75,000 miles. (Parts and labor)

Call 1-800-336-2895 before February 18 to receive a free quote. Refer to Customer ID: [REDACTED], and please have your current mileage available.

Remember, your Basic Limited Warranty has ended. You can avoid the rising costs of repairs with a factory-backed protection plan!

Sincerely,

Jim Trebilcock
VP of FlexCare Vehicle Protection
